Mr Meredith

Oct 15/62

I saw your father on TV  
by the look on his face, I would  
like to think he reads his Bible and  
I doubt if he approves of what you are  
doing.

I trust everyone wants to know  
who is paying your way through  
all these schools.

First the white gave you your own  
schools, at a sacrifice to them, I know  
the writer, gave toward Morgan  
here in Baltimore when I could have  
used it, why do you not go there  
they are teaching the same, and why  
are you taking politics to make another  
cango here.

your people were given work their  
by the white then the white were

run out, Mississippi does not want  
 that to happen there, you should have  
 what you want for, as the whites do  
 you could not have possible have worked  
 enough to pay for what you are getting  
 The poor and color, should stay in their  
 own towns and teach their people to fear  
 God and stop gambling and drinking  
 every thing even their relief checks.  
 all white every where I think that and  
 do not want to mix society, which  
 we believe no right stream cannot  
 does not mix society or any a free people  
 most are getting paid and it, and they do not  
 they have more housing here than they  
 can use churches they do not keep up, they  
 agreed to a song, if they think they  
 should go in white churches, and to  
 worship God first to mix if they can  
 white from Baltimore Md where  
 hundreds of white have lost their  
 security by poor people forcing  
 their selves in where they should have not
